Integrated Environment Control System

A⁺-green

Model No. HPAG-8001

Mobile

PC screen ng integrated environment

A⁺-Green

Distribution panel (kontrol ng greenhouse)

Nutrient Feeder

PC screen ng nutrient feeder

[Paglalarawan ng Produkto]

- ➔ Data ng lokasyon ng greenhouse; pumili ng astronomical / karaniwang oras
- ➔ Integrated / temperature control — mapipili o sabay na gamitin
- ➔ Proportional at integral control; awtomatikong proportional index value
- ➔ Pagtatakda ng panahon para sa cycle 1~4 at kontrol na konektado sa nutrient feeder
- ➔ Pagsasama ng environment control program + nutrient feeder program
- ➔ Sa ilalim ng environment control, pagtatalaga ng program para sa magkaugnay o hiwalay na feeder
- ➔ Magtanong para sa anumang kailangan
